

SNIPPETS AUGUST 2008

Dear Parents and Tutors,

Here we are in August and almost a third of the way through the school year but there are still a number of exciting things to occur.

SPORT CAMP:

Our Sport Camp is in week 10 of this term and you are able to bring your K-7 children into the camp school.

Year 1 to 7 children are able to stay at the camp with supervising teachers for a camp program running from Monday lunchtime through to Friday lunchtime.

Kindy and pre primary children have a day program that will commence with breakfast and finish at 3:00.

Unfortunately there is no accommodation at the camp school this year for adults as there are other schools at camp in that week.

Parents' who wish to stay in town, need to find accommodation for themselves.

A first draft timetable accompanies this newsletter.

Although the camps are not compulsory, we do enjoy having children at camp.

Please read our camp policy attached to this newsletter.

Permission slips and medical forms for camps: These need to be filled out if you didn't come to Home Tutor Seminar. If you filled forms out for Seminar and nothing has changed medically or otherwise with your children then those forms still stand.

Medical checks will take place on Tuesday afternoon if children were not checked at seminar or if you wish to have a child checked.

Dental appointments need to be made by you with the dental clinic (Phone 90213379). The dental clinic is located at South Kalgoorlie Primary School on Lionel Street, just past Hamden Street, when travelling from Boulder. You only need see the dentist if you did not have a chance at seminar or there is something urgent required.

OTHER CAMPS:

There will be a Junior Camp for K-3 at the end of the year in Kalgoorlie and a Year 4-7 camp in Perth at the end of the year.

Please read all the information with this Snippet note and return any papers that are requested.
