

## SNIPPETS AUGUST 2009

Dear Parents and Tutors,

**SPORT CAMP:** Please read the attached Sport Camp information and complete and send in the required permission slips which are with this newsletter.

Please fill in swimming levels on the form if your child/children have attended lessons before. If they have not been before please leave the form blank.

There is an assembly and barbecue at the sports camp on the Thursday and everyone is welcome to attend. The barbecue cost is \$5 per adult. If you are attending please send your money into Robyn.

Please let us know of any special food needs for children. The camp school caters for all dietary requirements.

**MEDICAL AND PERMISSION FORMS:** These only need to be filled in if you haven't already done so this year or if you have changes to medical conditions. That is, if you came to Home Tutor's Seminar you would have filled them out.

**AIR LESSONS:** Please note that supervision of students at air lessons is necessary to ensure the lesson goes according to plan. This is especially necessary with very young students. Where students are responsible and work well unsupervised then it is great for them to work online independently with their class teacher. We use many online tools now and if one student moves something on the whiteboard it affects all students. Where there is a problem teachers will phone after a lesson and discuss it with the student and tutor.

**INTERNET:** Please always be aware of the sites that your students are visiting when on the internet. Supervision is the best way to ensure appropriate use.

**P&C:** A P&C meeting is listed for next Tuesday the 18<sup>th</sup> of August.

**SCHOOL COUNCIL:** The meeting for this term has now been put down for Thursday 17<sup>th</sup> September so that all members can attend. If this does not suit a member out there please let me know.

Gerry Keegan  
Principal.
